

Accent Seating Collection

For Healthcare Environments

Environmental Data Sheet

Material Content

Recycled Content:

Post-Consumer 18%
Pre-Consumer 8%
Recycled Content 26%
Recyclable Content 57%

Environmental Attributes:

LEED Contribution:
*Recycled Content
*Rapidly Renewable Materials
*Regional Materials
*Construction Waste Management

Certifications:

BIFMA Level Certification

LEED Summary:

Credit 2 Materials & Resources: Construction Waste Management

Stance's packaging material is 100% recyclable and we offer the option of having the product shipped blanket wrapped

Credit 4 Materials & Resources: Recycled Content

The recycled content of Stance Healthcare's chairs can contribute to the points earned for this credit

Credit 5 Materials & Resources: Regional Materials

Stance Healthcare's manufacturing facility is located in Kitchener, ON, Canada. If the installation is within 500 miles of Kitchener, Stance Healthcare's chairs may contribute towards this credit

Credit 6 Materials & Resources: Rapidly Renewable Resources

Select Stance Healthcare fabrics may contribute to this credit

Credit 4.5 Indoor Environmental Quality: Low Emitting Materials

Stance Healthcare Seating is BIFMA Level certified. "Level" certification is a multi-attribute certification for the contract furniture industry

Disclaimer:

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, other broadly based information. Stance Healthcare makes strives to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.
