

Accent Seating Collection

For Healthcare Environments

Product Specifications

Construction

- Fully welded frame is constructed of heavy 14 gauge, 7/8" tubular steel and powder coated for long life
- Contoured seat and back panels are constructed of laminated, high density hardwood veneers using a RF process and a UF resin with very low offgas emissions
- Foam contains environmentally-friendly bio- based materials, and is California TBI 17-2013 Compliant. Hi-resiliency foam resists flattening for longer life and enhanced comfort
- Arms are constructed of 33% glass filled nylon

Features

- Clear, non-marring glides
- Compound-curved back provides a snug fit
- Double-stitch method increases durability and provides a cleaner appearance
- Wood back available in three unique cut-out designs. Custom cut-outs also available
- "Waterfall" front edge design enhances comfort and eliminates a potential pinch point
- Chair design allows for easy cleaning and eliminates potential bacteria traps

Options

- Custom frame finishes
- Custom wood back finishes
- Contrasting fabrics
- Ganging clip
- CALTB 133 Compliance
- Moisture barrier
- Wall-Save design
- Chair Dolly (stacks 10 chairs high)
