

accent

seating for behavioral health

accent bh

The Accent Heavy-Duty Chair for Behavioral Health specializes in versatility. Accent suits common rooms and dining areas, and its compact footprint makes it ideal for patient room seating. The chair is available with arms or armless and in three seat widths. It rests on a sturdy H-base.

Features

- Limited Lifetime Warranty
- 14-gauge powdercoated steel "H" frame
- All fasteners are tamper-resistant
- Sled base enables frame to be bolted to floor
- Steel seat pan conceals upholstery staples and adds weight
- Available in 3 seat widths: 18.5", 22" and 26"
- Nylon glides are non-removable and protect floors from damage

Options

- Custom frame finishes
- Also available with arms
- Contrasting fabrics
- Bolt-to-floor brackets
- CAL TB 133 Compliance
- Moisture Barrier
