Gold Award

frontier

Frontier is a rotationally-molded collection for Mental & Behavioral Health consisting of a bed, 'flip-style' bedside cabinet, desk and shelving. All coordinating units are constructed with high-impact polyethylene, continuously molded for maximum durability.

Features

- Filled with polyurethane foam for enhanced durability
- Corners and edges rounded for increased safety
- Innovative fluid management system
- 'Flip-style' bedside cabinet design for preferred configuration
- Stain-resistant, seamless and easy to clean
- Craftsman style appearance
- CalTB 133 compliant

Options

- Bed can be bolted to floor
- Bedside cabinet, desk and shelves can be bolted to wall
- Behavioral Health mattress also available
