patient recliner

onward recliner

The Onward Recliner is designed to meet the demands of increasingly smaller patient and resident rooms. This new addition to the Onward Collection features a 22" seat width, narrower than a traditional recliner. Thus it combines the qualities of a typical highback patient chair with a healthcare-grade recliner. Available with locking casters.

Features

- 22" seat width
- 14-gauge steel inner frame
- Pneumatic cylinder provides infinite back recline
- Replaceable upholstery covers
- Easy-to-clean design
- Large, contoured headrest
- Easy-to-activate reclining mechanism

Options

- Polyurethane arm caps
- Contrasting fabrics
- Custom finishes

features
