Accent

Accent

Accent specializes in versatility, with its wide range of applications, and choice of three seat widths.

Jax

Jax

Offered with or without arms, and featuring a single contoured seat and back, Jax chairs are strong, comfortable and easy to clean. Also, the choice of two seat widths makes the collection versatile enough to be used in many applications.

Vista II

Vista II

It's the cleanable, attractive Vista II for Behavioral Health environments, with features to enhance durability and safety.

Legend

Legend

Legend provides durability, enhanced safety and an attractive aesthetic. Available in a choice of three seat widths and with coordinating occasional tables.

Onward

Onward

Onward Lounge offers a simplistic transitional design that conceals a robust steel internal structure that adds weight and durability. Available with optional 3-Way CLEAN-SWEEP™ around the seat cushion.

Jensen

Jensen

Built to last: Durable and safe for high-use environments, Jensen for Behavioral Health blends stylish design with the strength of metal – while maximizing comfort and cleanability.

Cassia

Cassia

Cassia synthesizes form and function, meeting the Behavioral Health requirements of durability, comfort and safety, in an inviting, contemporary design.

Valet

Valet

Valet offers a new standard in Behavioral Health lounge seating, with its attractive, modern aesthetics and thoughtfully designed safety features.

Verity

Verity

The Verity Lounge Collection for Behavioral Health offers a soft, home-like aesthetic with unexpected durability that withstands high-use environments. The attractive and comfortable collection, which features rounded edges and many options to modify, is ideal for areas that invite users to lounge for extended periods of time.

Clover

Clover

With beautiful curves and modern styling, the Clover Lounge Collection offers seating support that encourages relaxation and comfort for today's supervised Behavioral Healthcare environments.

Flo

Flo

A charming addition to the Flo series, this lounge collection offers beautiful organic lines, a soothing color palette, and subtle safety elements. Its unique wide seat option and versatility for indoor and outdoor use provide patients and visitors with an inviting place to relax.

Flo

Flo

The Flo Rocker is thoughtfully designed to enhance comfort and flexibility in Behavioral Health environments. Its wide seat encourages a naturally curled sitting posture, promoting a sense of security and ease. The gentle rocking motion offers a soothing experience that supports emotional regulation and relaxation.

Kiwi

Kiwi

A fun mixture of chair and bean bag, Kiwi is a great option for group spaces and lounge areas in Behavioral Health environments.

Flo

Flo Stool

The Flo Stool is part of the rotationally-molded casegoods collection for Behavioral Health environments. The stool is constructed with high impact polyethylene, continuously molded for maximum durability.

Rosetta

Rosetta

The stylish and comfortable Rosetta modular seating features a durable plinth base for Behavioral Health. The collection also includes coordinating tables for increased versatility.

Attezza

Attezza

Attezza modular seating for Behavioral Health is designed to suit a wide range of spaces. While the first impression is one of style and comfort, Attezza is designed to serve critical environments that require a higher level of durability and safety.

Attezza Jr.

Attezza Jr.

Attezza Jr. is designed for children and offers flexibility to suit any Behavioral Health pediatric space. The child-friendly modular components of Attezza Jr. are built with durability and safety as a top priority.

Flo

Flo

Comfort meets durability when dining with our Flo Chair and Table Series for Behavioral Health. Offering beautiful organic lines and a soothing color palette, Flo provides a calming aesthetic that invites users to relax while dining safely in an intensive use space.
