Stance Healthcare is a family owned business with a strong commitment to maintaining the highest possible standards in all that we do. We are always vigilant to be as fair as possible with our customers, employees and our manufacturing partners.

In subscribing to the highest possible level of customer satisfaction, we promise to:

- Build all products to the highest level of quality
- Stand behind our products, and resolve issues without delay
- Maintain consistent lead times, and honor promised delivery dates to the best of our ability
- Maintain clear and open communication with all customers, employees and manufacturing partners
- Maintain continuous product innovation and improvement
- Provide friendly and expedient customer service at all times
- Provide after-sale service and support whenever required
- Listen to the concerns and needs of our customers, employees and manufacturing partners
- Keep in tune with the changing requirements in the healthcare market

We believe that our future success will be determined by our strong personal and corporate commitment to the standards listed above.

Our efforts to reduce the environmental impact of our products begin during the design and development phase. Whenever an existing product is changed, or a new one is being developed, we will take into account the environmental impact of materials chosen; including their origin, use of our products, and end-of-life recovery options.

Employing this concept, we will give preference to renewable, recycled, recyclable and biodegradable materials and will also make design considerations to conserve raw materials, water and energy.

Each design prototype must be assessed by the Stance Healthcare Design for Environment (DfE) Program during product realization prior to the actual manufacture of the final product. This tool assesses the environmental performance of both the proposed product itself and the processes that would be used to manufacture it. At a minimum this analysis must consider the following DfE elements:

- Renewable materials
- Recycled materials
- Recyclable and biodegradable materials
- End of life management
- Water management
- Energy efficiency

DfE is an iterative process: Output generated from the analysis of each design prototype using the Stance Healthcare DfE Program must inform the next generation of the design process until the desired environmental performance of the final product is achieved.

Orders may be placed by authorized Stance dealers only. Distribution of the price list does not in itself constitute an offer to sell.

DELIVERY AND FREIGHT INFORMATION –

All North American shipments are DDP (Delivered Duty Paid) unless other arrangements are agreed upon. Stance reserves the right to select the most appropriate carrier and routing on all shipments. Stance carriers provide one free hour for offloading product, depending on the size of the order, after which waiting charges will apply and will be billed accordingly. Shipment may deliver up to seven (7) days in advance of the acknowledged ship date. If customer requests a specific carrier, shipments will be made freight collect at customer's expense. Please review the Stance [Freight Program](#) for details on how freight charges are calculated.

All deliveries from Stance require a loading dock. Dock must be able to accommodate a 53-foot trailer. Minimum 4 hour delivery window required, within standard business hours of 9am to 5pm. If delivery location requires a liftgate, forklift, and/or is limited access/residential delivery, please notify Stance at time of order. Additional freight charges will apply for liftgate, limited access/residential delivery, rerouting from original destination, refused/returned freight, detention fees, driver labor costs, weekend delivery, and all other extraordinary deliveries. Direct-to-site shipments must be discussed with Stance to determine site accommodations, at which point additional charges may be applicable. Stance reserves the right to amend and invoice freight charge based on special shipping arrangements required.

Contact sales@stancehealthcare.com for more information.

DAMAGE AND FREIGHT CLAIMS –

All Stance furniture products are carefully inspected and cartoned by trained personnel before they leave the factory. Record damages and/or shortages on the bill of lading and freight bill. Sign only for the items you receive and do not accept the shipment until all shortages are noted on both the bill of lading and the freight bill. If receiver gives the delivering carrier a clear receipt, Stance will bear no further responsibility.

Claims for concealed damages must be made to Stance within ten (10) calendar days of delivery. Contact sales@stancehealthcare.com. Retain all shipping cartons and inner packing for inspection and do not move the damaged merchandise from the receiving location. Stance will not be liable for concealed damages after 10 business days if cartons are not opened within that time.

PRICING –

All prices shown in this price book are list prices and are subject to change without notice. Pricing will only be held as long as standard lead times unless previously registered and agreed upon. Should an order be placed with an extended lead time, the order will be subject to pricing in effect at time of shipment and may require an up-front deposit to secure the desired ship date.

PAYMENT TERMS –

Payment terms are net 30 days. Pricing does not include state or provincial taxes. Payment by credit card will be considered on a per order basis. If invoice is not paid in full within 30 days, a late payment charge of 1% per month (12% per annum) will be applied on overdue invoices.

ORDER CANCELLATIONS –

After an order has been acknowledged and placed into production, cancellations cannot be accepted without the consent of Stance Healthcare Inc. In the case of an order cancellation, customer will be invoiced for the full cost of fabric and may also be invoiced a cancellation fee of no less than 20% of the value of the customer's Purchase Order. Stance reserves the right to charge additional "work in progress" fees as well. Cancellations must be made in writing to the factory. Please note special orders are not subject to cancellation.

AMENDED SHIP DATES AND STORAGE CHARGES –

Requests to change the acknowledged ship date (for instance, moving out an order) must be requested in writing a minimum of six (6) weeks prior to acknowledged ship date. Contact sales@stancehealthcare.com. Stance is unable to accept such requests within six (6) weeks of the acknowledged ship date.

Due to space constraints, shipments cannot be held or stored beyond (5) days.

Stance reserves the right to apply a storage fee of 2.5% per day if customer requires the order be held past the acknowledged ship date, to a maximum of (5) days.

REPAIRS AND RETURNS –

If repairs are required for any reason, Stance must be notified in advance of repair completion. Stance will bear no responsibility for repairs completed without prior written approval and customer will not be eligible for reimbursement. Note that unapproved repairs will void all warranties.

Sales are considered final but in the event of a shipping error, duplicate shipments, processing error, etc., product will be accepted for return only with a signed Return Authorization (RA) from Stance. Contact sales@stancehealthcare.com for return eligibility evaluation. Product approved for return must be returned properly packaged in the original factory cartons. Carton must be clearly labeled with the RA number. Freight responsibility and arrangements will be determined during the RA process.

All merchandise must be returned within thirty (30) calendar days of the RA date to be eligible for refund/credit. Freight damage, signs of usage, missing parts, etc. will be adjusted on any credits issued.

FABRIC EVALUATION –

Fabrics must be tested and approved for application on all Stance products. Please contact sales@stancehealthcare.com for information on the evaluation process and/or to confirm if the specified pattern is approved before order is placed. Because every fabric specification is different and application for use must be taken into consideration, Stance shall not be held responsible in any manner for wrong specification of fabric for tailoring, wear, durability, or light fastness. Refer to Stance's Warranty for more.

CUSTOMER'S OWN MATERIAL –

Customer supplied materials must be shipped prepaid to Stance Healthcare Inc. and must be accompanied by a CUSMA Certificate of Origin (formerly known as NAFTA) and a commercial invoice as required by Canada Customs. Commercial invoice must clearly indicate the description of the fabric, including the makeup or content, the selling price, and the country of origin. Please contact our customer service at 877-395-2623 should you have any questions related to Canada Customs requirements.

COM materials must be received at least two weeks prior to the acknowledged ship date in order to avoid any delays.

COM material must be clearly identified with the following information:

- Fabric name and color
- Customer name
- Purchase order number

Stance Healthcare Inc. reserves the right to refuse to use any COM materials that we feel will compromise the integrity of our products.

All COM's are cut "up the roll" unless otherwise specified by the customer. Stance Healthcare will not be responsible for incorrect application of COM materials, unless we have been provided with application instructions by the customer.

Stance will retain COM fabrics for a maximum of **six months**. After this period, any remaining fabrics will be **disposed of**, unless there is an order.

General Information

FABRIC REPEATS –

Unless otherwise stated, fabric rolls are assumed to be a minimum of 54" wide. The following chart is used to calculate the extra yardage required for fabrics with a repeat.

Repeat (inches)	Up the Roll	Across the Roll
1 – 5"	15%	10%
6 – 9"	25%	15%
10 – 13"	30%	20%
14 – 20"	35%	25%
21 – 27"	40%	30%
Over 28"	45%	40%

FABRIC GRADES –

Refer to the graded-in fabrics document on our website to determine fabric grades for all cryptons and vinyls from Stance Healthcare's preferred partners. Stance Healthcare Inc. will also grade-in fabrics from most other suppliers, upon request.

Different fabrics may be specified on the seat and on the back. In this case, use the higher grade of the two. No additional upcharge applies.

ESTABLISHMENT LICENSE –

The following products are considered a Class 1 Medical Device product by Health Canada. If you are selling them to a healthcare establishment located in Canada which provides medical treatment to the public you must hold an Establishment License issued by Health Canada.

- Treatment and Exam tables
- IV pole (sold as an accessory with our Recliners)

DISCLAIMER FOR SPECIFYING PRODUCTS –

Stance products are designed to service various spaces within behavioral health facilities. It is solely the specifiers/facilities responsibility to assess patient safety and determine the products and hardware most appropriate for the environment and its level of risk. It shall also solely remain the specifiers/facilities responsibility to ensure furniture is correctly installed, operates properly, and is routinely maintained. Although products are designed with safety features, be advised that installation of these products will not eliminate all risks of suicide or injury.

LIMITED LIFETIME WARRANTY –

Stance Healthcare Inc. (Stance) is committed to Improving Lives by Design and to support this mission, we are pleased to warrant that our products are free from defects in materials and workmanship for the life of the product, except as noted below. Stance warrants to the original purchaser beginning from the date of product shipment.

EXCEPTIONS –

5 Years – Stacking chairs, seating components including controls and adjustment mechanisms, exposed wood frames, height adjustment/reclining mechanisms and pneumatic cylinders, wood veneer and low pressure laminate (LPL) surfaces, urethane and wood edge treatments, seating foam, upholstery and tailoring.

3 Years – Electrical components and power supplies, furniture designed for outdoor use, ballasts, casters, replacement parts, mattresses, and glides.

Fabric – Stance bears no responsibility for defects of any kind in upholstery materials such as shrinkage, stretching, wrinkling, puddling, color fastness or any other defect occurring as a result of normal "wear and tear" of textiles. Certain textiles have content that make them susceptible to puddling and wrinkling, which Stance cannot control. Environmental factors like humidity, temperature, and changes in weather can affect textiles and Stance bears no responsibility for defects caused as a result of these conditions.

Upholstery materials applied to products manufactured by Stance are subject to the specific warranties, if any, of their manufacturers. Because every fabric specification is different and application for use must be taken into consideration, Stance shall not be held responsible in any manner for wrong specification of fabric for tailoring, wear, durability, or light fastness.

FLOORING –

Stance assumes no responsibility for any damage, marking, denting, or other adverse effects to flooring surfaces resulting from the use of our furniture, including but not limited to the use of glides. Flooring materials vary widely in composition, finish, and durability; as such, it is the sole responsibility of the consumer to determine the compatibility of glides with the specific flooring type installed. We strongly encourage customers to consult with their flooring provider to understand any limitations or compatibility concerns related to furniture and glide use. To help prevent potential issues, we also recommend testing furniture and glides on a small, inconspicuous area of the floor before full use. By using our products with glides, the customer acknowledges and accepts full responsibility for any resulting flooring damage and agrees to hold our company harmless from any claims, costs, or liabilities arising from such use. For questions regarding glides or to request specific glides, contact Customer Service.
