

KINDRED DAY BED CONSTRUCTION –

- Inner frame is ¾" plywood construction and is glued and screwed for added strength
- ¾" white laminate deck with front build-up to secure the mattress in place
- ½" white thermo-fused laminate drawers have ½" bottoms and run on full extension slides
- All outer cladding is screwed to the plywood frame from the inside making the sides and back field replaceable if damaged
- Foam contains environmentally-friendly bio-based materials, and is California TB117-2013 compliant
