

DRUM (UPHOLSTERED) OCCASIONAL TABLE CONSTRUCTION –

- Fully-welded plinth base is constructed of heavy duty formed steel, powdercoated for long life
- Drum is laminated and constructed of hardwood wiggle board shaped around laminated particle board braces in the core
- Foam contains environmentally-friendly bio-based materials, and is California TB117-2013 compliant

FEATURES –

- Durable upholstered surface
- Glides are tamper-resistant and non-removable
- All fasteners are concealed

OPTIONS –

- Steel plinth base adds weight and protects table from damage
- Solid surface top available in a variety of colors
- Custom metal finishes
- Built-in power/USB receptacle
