

PRAIRIE CASEGOODS CONSTRUCTION –

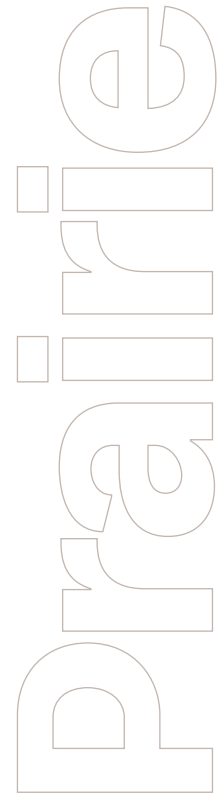

- Cabinets constructed of low pressure laminate over 45lb per cubic ft. ¾" thick chipboard, including the backs. Doors and drawer fronts are made of Maple hardwood. Bedside table and dresser tops are finished with a hi-pressure laminate and a 1" Maple hardwood bullnose. Bottom edges of the cabinets panels are edge banded to prevent liquid absorption
- All panels are joined with hardwood dowels, and glued
- Drawer fronts, tops and kicks are field-replaceable
- Blum door hinges

FEATURES –

- Cabinet sides and tops are ¾" thick
- High-pressure laminate tops and hardwood bullnose edging with rounded corners
- Drawer sides are epoxy-coated steel
- Prairie head and foot boards are fitted with a decorative top rail in solid maple
- Steel drawer boxes provide increased durability

OPTIONS –

- A galley rail and plastic drawer-liner are options on all bedside tables
- A platform bed from another Stance line can be adapted to suit the Prairie Series
